Who We Are

BuildCo was established in 1987, initially focusing on housing and cluster developments in the West-Rand. Over the years BuildCo has grown to complete numerous Commercial, Industrial and Infrastructure developments both locally and throughout the African Continent.

For 33 years our clients have relied on us for our experience, quality workmanship, professionalism and timely project delivery. It's a success story we're proud of and one that's built on the strength and passion of our people. As the business continues to expand, we operate with the same commitment to service and quality.

Mission, Values and Purpose

Our goal is to become a leading specialist in South Africa's construction sector for medium sized construction and renovations projects. And being first means being clear in terms of the quality of service we provide our clients. Our focus on quality in all we do, integrity, and teamwork are values that run through the heart of the business.

Our Core Values

Each project is undertaken in accordance with our core values. So every decision we make enriches our client relationships, deepens client understanding and our commitment.

- ❖ Honesty
- ❖ Quality
- ❖ Integrity
- ❖ Customer focus
- ❖ Accountability
- ❖ Excellence
- ❖ Safety

Our Strategy

We concentrate on offering our clients a quality product. To this end we mobilise our management skills and resources to ensure the most cost-effective and efficient measures to produce projects. Projects that meet both required standards and quality objectives.

- ❖ Deliver projects on time, within budget and standard of quality required by our clients.
- ❖ Create and maintain a culture of quality.
- ❖ Ensure our employees are well trained and are equipped with the necessary resources to achieve required level of quality.
- ❖ Meet all statutory & legal requirements.
- ❖ Ensure that quality control and assurance mechanisms are sufficiently and effectively applied.
- ❖ Ensuring that all advisors, suppliers and sub-contractors involved in projects are aware of, and meet the required quality standards.
- ❖ Continual review and improvement of quality management, and implementation of industry practice standards.
- ❖ Continually seek feedback from our clients as to the level of quality delivered.

Why Choose Us

REPUTATION

Our reputation is one of our greatest assets. We actively work to build a reputation of excellence in our people, systems and products. If our actions in any way contravene our shared values of teamwork, communication, integrity and excellence, it can adversely impact on our positive reputation.

QUALITY

Quality is of utmost importance to our organization, and both management and employees must pursue this at all times. Performance of duties should be at the expected level of skill, knowledge, experience and judgement.

COST-AWARENESS

Management and employees have a responsibility to consider efficiencies where possible, such as cost cutting, value engineering and any other methods that provide our stakeholders with quality structures within set budgets. This responsibility includes taking due care, avoiding waste, and minimising the misuse or abuse of company assets, while limiting the risks to suppliers and subcontractors who engage in projects with us.

TEAMWORK

We are a team. We succeed together. When we can help our colleagues, we do. When we need help, we ask. We do not ignore a colleague who needs our assistance, even if they have not asked for our help. We are also willing to participate in activities and projects that promote BuildCo Construction.

CULTURE

We have a positive, “can do” attitude and always “go the extra mile” for our clients. We are flexible, dependable, hardworking and a “pleasure to do business with”.

ACCREDITATION

Registered with both the National Home Builders Registration Council (NHBC) and the Construction Industry Development Board (CIDB), we are committed to ethical practices to enhance value, clients and society.

Quality Construction Renovation and Maintenance Works

Get in touch with us for a consultation or a quotation for all your construction, renovation, alteration and maintenance needs. We have been classified by the CIPC as an essential service provider and can assist with any emergency repair and maintenance works during the extended lockdown period.

EXTENDED LOCKDOWN PERIOD: CERTIFICATE OF RECORD FROM 01 MAY 2020

This revised certificate records that the business operating as **BUILD CO CONSTRUCTION** is registered in terms of the Companies Act, 2008. The responsible person named above has submitted information to the Companies and Intellectual Property Commission to state that the business performs essential services as indicated in relevant regulations issued as part of the state of disaster declared under the Disaster Management Act, to deal with the Covid-19 crisis.

This CIPC certificate is a record that the company has submitted information to the CIPC. This replaces any other certificate issued by the CIPC prior to **17:30** on April 16, 2020.

The possession of the CIPC certificate is still subject to the company fully complying with the applicable Lockdown Regulations and is a record of the company's details. This certificate does not in itself constitute the right to continue operating during the period, and it is the responsibility of the company to ensure that it complies with the regulations.

Only businesses which provide essential services in terms of the Lockdown Regulations, as amended, issued by the Minister for Cooperative Governance and Traditional Affairs may continue their operations during the COVID-19 lockdown, and only in respect of goods or services defined as essential in the regulations.

False declaration by the company is a criminal offence and will result in prosecution. This certificate may be revoked if there are changes to the regulations or in order to improve implementation of the lockdown.

Yours truly

CIPC Commissioner
